

## Procedure for selection of awards and frequency

- An awards selection committee will be created from the NANB Board of Directors and will consist of the three volunteer members. The committee will review all submissions, determine the award recipients, and then make recommendations to the NANB Board of Directors, for endorsement.
- The deadline for submission of nominations is the last working day in February of the odd year.
- All nominated RNs will receive a letter from NANB stating whether they have been selected to receive an award.
- Awards will be presented at each biennial meeting of the NANB in odd numbered years.
