
Employer Name: GOeVisit

Job Title / Position: Nurse Practitioner

City: Virtual

Position Closing Date: November 30, 2020

Time Commitment: Part Time

Job Description:

The role of the Nurse Practitioner (NP) at GOeVisit is instrumental in redefining healthcare in Canada. Our NPs provide high quality, compassionate care to our patients via phone or face-to-face technology through the #1 virtual healthcare platform in North America, SmartExam. The position supports the organizational priorities and goals associated with providing virtual access to care for patients for minor illness conditions and ensuring that medical care provided to patients is consistent with GOeVisit's standard for quality.

Job Requirements:

Bilingual in **French and English**.

Valid Nurse Practitioner license in **New Brunswick** and **Quebec**.

Required to have the ability to obtain licensure in multiple provinces if required.

Two years of working experience in a clinical setting, including family practice/urgent/emergent care experience with both adult and paediatric populations (over 24 months of age).

Demonstrated effective interpersonal skills including composure, diplomacy, and the ability to interact with a diverse patient population.

Ability to work independently and demonstrate good personal judgment.

Excellent time management skills with the ability to take initiative and work with limited supervision but within the guidelines of the position.

Strong interest in, and aptitude and/or experience with the use of emerging technology in the delivery and the documentation of health care.

Experience in the delivery of telehealth is an asset
